MAY 17TH

- 08H00** ACCREDITATION.
- 08H30-10H00** Round Table: **CHALLENGES IN THERAPEUTIC APPROACH FOR CARDIOVASCULAR DISEASE IN WOMEN.**
MODERATORS - Gláucia Moraes (RJ) e Sheyla Ferro (SE)
- 08H30** Women's representation in clinical trials. *(Carisi Polanczyk - RS)*
- 08H45** Difficulties in the evaluation of cardiovascular risk. *(Ariane Macedo - MG)*
- 09H00** Dificuldades na avaliação do risco cardiovascular. *(Marianna Andrade - BA)*
- 09H15** Primary and secondary prevention of coronary artery disease –equal evidence for medication use?
(Barbara Marino - MG)
- 09H30** Discussion. *(Carisi Polanczyk -RS)*
- 10H00** Break.
- 10H30-12H00** Round Table: **HEART FAILURE IN WOMEN**
MODERATORS - Fátima Negri (PB) e Celi Santos (SE)
- 10H30** Epidemiological aspects of HF in Brazil and worldwide. *(Gláucia Moraes - RJ)*
- 10H45** HFnEF, HFiEF, HFrEF – classifications of HF for women? *(Carisi Polanczyk - RS)*
- 11H00** Peripartum cardiomyopathy – how to prevent and treat it? *(Maria da Consolação - MG)*
- 11H15** HF after chemotherapy – early detection and current treatment. *(Ariane Macedo - MG)*
- 11H30** Discussion.
- 12H00** Sankyo Satellite Symposium: **CARDIOVASCULAR COMPLICATIONS IN WOMEN WITH CANCER: TREATING DEEP VEIN THROMBOSIS AND PREVENTING STROKE IN ATRIAL FIBRILLATION.**
(Ariane Macedo - MG e Marianna Andrade - BA)
- 14H00-15H15** Round Table: **DILEMMAS IN CHRONIC CORONARY DISEASE IN WOMEN.**
MODERATORS - Carla Lantieri (SP) e Fátima Pedroti (ES)
- 14H00** Peculiarities of treating chronic CAD. *(Barbara Marino - MG)*
- 14H15** What is the best algorithm for investigation of asymptomatic and symptomatic patients?
(Fátima Pedroti - ES)
- 14H30** What is the role of percutaneous intervention? Is it indicated for all patients with ischemia?
(Deborah Nercolini - PR)
- 14H45** Revascularization surgery for all high-risk patients? *(Valeria Braile - SP)*
- 15H00** Discussion.
- 15H30-16H45** Round Table: **CHALLENGES OF AMI IN THE "WEAKER SEX."**
MODERATORS - Viviana Lemke (PR) e Magaly Arrais (SP)
- 15H30** AMI in women according to the ESC, 2018. *(Maria da Consolação - MG)*
- 15H45** Medical therapy for AMI in women – the same as in men? *(Marianna Andrade - BA)*
- 16H00** . Reperfusion and revascularization in women with AMI. *(Magaly Arrais - SP)*
- 16H15** Discussion.
- 16H30** Break.
- 17H00** Conference: **THE HEART CIRCLE.**
PRESIDENT - Fátima Negri (PB) / CONFERENCISTA - Sandra Mattos (PE)
- 17H30** Conference: **ETHICS IN TIMES OF SOCIAL MEDIA AND FAKE NEWS.**
PRESIDENT: Marcelo Queiroga (PB) / CONFERENCISTA: Cláudia Collucci (SP)
- 18H00** Debate: **WOMEN WHO MAKE THE DIFFERENCE** Fatima Negri (PB)/ Mayra Pinheiro (CE) / Gláucia Moraes (RJ) / Viviana Lemke (PR) /Cláudia Collucci (SP) Mariana Carvalho (RJ) / Cláudia Freire (MG)
- 18H30** Abertura Solene.

MAY 18TH

- 09H00-10H30** Round Table: **ARTERIAL HYPERTENSION.**
MODERATORS - Patrícia Toscano (PB) e Sheyla Ferro (SE)
- 09H00** In young women. *(Celi Santos - SE)*
- 09H15** During menopause. *(Roberta Barreto - PB)*
- 09H45** Chronic hypertension during pregnancy. *(Cláudia Freire - MG)*
- 10H00** Pre-eclampsia and eclampsia - how to diagnosis and treat them? *(Imara Queiroz - PB)*
- 10H15** Discussion.
- 10H30** Break.
- 10H45-12H00** Colloquium: **SPECIAL WOMEN'S HEARTS.**
COORDINATOR: Maria da Consolação Vieira Moreira (MG)
- 10H45** Atrial fibrillation – are there particularities to the female heart. *(Olga Souza - RJ)*
- 11H00** The hearts of women with frailty syndrome – how to proceed? *(Nadine Clausell - RS)*
- 11H15** Menopause hormone therapy – to do or not to do? *(Cláudia Freire - MG)*
- 11H30** Approach for women with diabetes. *(Narriane Chaves Holanda - PB)*
- 11H45** Does gastroplasty resolve cardiovascular risk in obese women? *(Narriane Chaves Holanda - PB)*
- 12H00** Should we treat women with dyslipidemia the same as men? *(Carla Lantieri - SP)*
- 12H15** Break.
- 14H00-15H30** Round Table: **WHEN PREGNANCY IS AN ASSOCIATED "ILLNESS."**
MODERATORS: Imara Queiroz (PB) e Magaly Arrais (SP)
- 14H00** Severe valvular disease in asymptomatic patients. Whether or not to intervene before pregnancy? That is the question. *(Maria Sanali Paiva - RN)*
- 14H15** Anticoagulation during pregnancy. Maternal-fetal risks. *(Olga Souza - RJ)*
- 14H30** AMI during pregnancy –does it make a difference? *(Cláudia Freire - MG)*
- 14H45** Can we use any non-invasive diagnostic method during pregnancy? *(Simone Brandão - PE)*
- 15H00** Discussion.
- 15H30** Break.
- 16H00- 17H30** Round Table: **STRUCTURAL AND VALVULAR HEART DISEASE.**
MODERATORS: Roberta Barreto (PB) e Valeria Braile (SP)
- 16H00** What's new in the diagnosis of valve disease? *(Patrícia Toscano - PB)*
- 16H15** Takotsubo cardiomyopathy – what's new *(Nadine Clausell - RS)*
- 16H30** Managing significant valve disease during pregnancy. *(Celi Santos - SE)*
- 16H45** Interventional treatment of structural heart diseases. *(Deborah Nercolini - PR)*
- 17H00** Surgical treatment of valve diseases. *(Magaly Arrais - SP)*
- 17H15** Discussion.
- 17H45** **READING OF "THE WOMEN'S LETTER."**
- 18H00** **CLOSING CEREMONY.**
